DEDICATION

To those valiant school mates and friends who have left behind them the happiness and joys of school days to share a place in this struggle to preserve the Christian way of living, and to insure to the children of the United States the privilege of attending free public schools such as our own, we, the class of 1943, humbly dedicate this, our yearbook.

A Backward Glance

At last we were Freshmen! It seemed to us that the day would never come! And now in almost no time we are seniors, 100 strong. That day so long looked forward to is upon us, and as we go on toward it we cast a backward look rather wistfully!

If we could only be freshmen again, and have that green freshman look. With that frame of mind and station, we would play joyfully throughout the year, with never but one serious thought in our minds. What is that? Why, electing officers like the big folks. Well, who shall be our officers? Don Baston is very good-looking, and he'd be a good one, too. Let's nominate him. In this manner, we name our officers. They are Don Baston, president; Charles Stierwalt, vice-president; Harriet Duckworth, secretary-treasurer.

And now we think since we can't be Freshmen, how grand it would be if we could be Sophomores. We know everything, then. Don Baston is still rather handsome, so let's nominate him again. In this way, we elect our Sophomore officers. We think Charles Stierwalt is good-looking, too, because we change only our secretary-treasurer. This office falls to

capable Dale Maxwell. This year we also have a party.

Since it looks as if our wishes to be Sophomores again cannot be realized, we gladly change places with the Juniors. As Juniors we are becoming a little more serious, aided, perhaps, by the war. Although the unrest of the world disturbs us, we carry on as usual. In our elections we choose Bob Barnard for president; Bill Hasting for vice-president; Joan Wampler for secretary; Mary Jane Jackson for treasurer. This year we present our class play, which is "New Fires". We also entertain the seniors at the annual prom.

However, we must resign ourselves to being seniors, and as such we attack all problems with due thought. We elect officers. They are Don Baston another third term president; Roy Winkler, vice-president; Mary Jane Jackson, secretary; Barbara Bain, treasurer. As we go on through our last year, we carry out the activities of seniors. Each activity brings a new meaning in our lives, and we hope to leave our school a little better for our having been here.

The Artesian Herald Appears In New Form

In keeping with
only The Artesian
reduced from a five
column paper. It will
cost less; expenses will
be less; the High School P.T.
Athletic Department, and the
Board. It will be distributed
to all Junior and Senior High
students.

Since there will be no journalism
class this year, a different
has been worked out for pre-
paration of copy. Mr. Maurice Mc-
Gowan will have charge of the sports
page; Mrs. Lida Prewitt, of the editorial
page; Miss Hannah Stevens
will oversee the other two pages
and have general supervision of
the entire paper.

Students from all classes will
participate in the preparation of
material for the paper. Those in
charge hope that after the first is-
sue it can be printed in the school
press from linotype work prepared
by one of the city newspaper
plants.

Announcements Of Importance

Following are some announce-
ments of changes which will prove
of a number of students

An increase in number of
students has made it
necessary to have one class in typ-
ing at noon.

Because too few students en-
roll in journalism and Latin III,
there will be no classes in either
subject this year.

III. An increase in the demand
for a vocational metal shop by Jun-
ior and Seniors has caused the
elimination of a three hour course in
the morning and another in the
afternoon. Due to federal regula-
tions on time, the afternoon class
will have to continue ten minutes
after school is dismissed or begin
10 minutes earlier at noon.

IV. Special Education will be
located in Room 48. Their former
location, Room 37, will be used as a
club room.

V. The school bookstore is now
located in Room 40 on the second
floor. The Superintendent's office
has been enlarged to include the
former bookstore.

Ninety-four Seniors Qualify

In order to graduate from a com-
missioned high school a student
must have earned thirty-two cred-
its by the end of the senior year.
When entering the senior class
from the junior class, a student
having earned twenty-four or more
credits is recognized as being in
good standing to graduate. This
year there are ninety-four seniors
in that position. They are as fol-
lows:

HI-Y CLUB

The Hi-Y club is an organization of boys in the upper three classes. It has as its purpose: "To create, maintain, and extend throughout the school and community, high standards of Christian character. Its slogan is "Clean speech, clean sports, clean scholarship, and clean living."

Rev. G. L. Tudor was chosen as chaplain again this year. Mr. Hubert Bowers is serving his second year as club sponsor. The club elected the following officers: William K. Hastings, president; Charles Stierwalt, vice-president; William T. Neidigh, secretary; Joe Martin, treasurer; John Kroy, sergeant-at-arms.

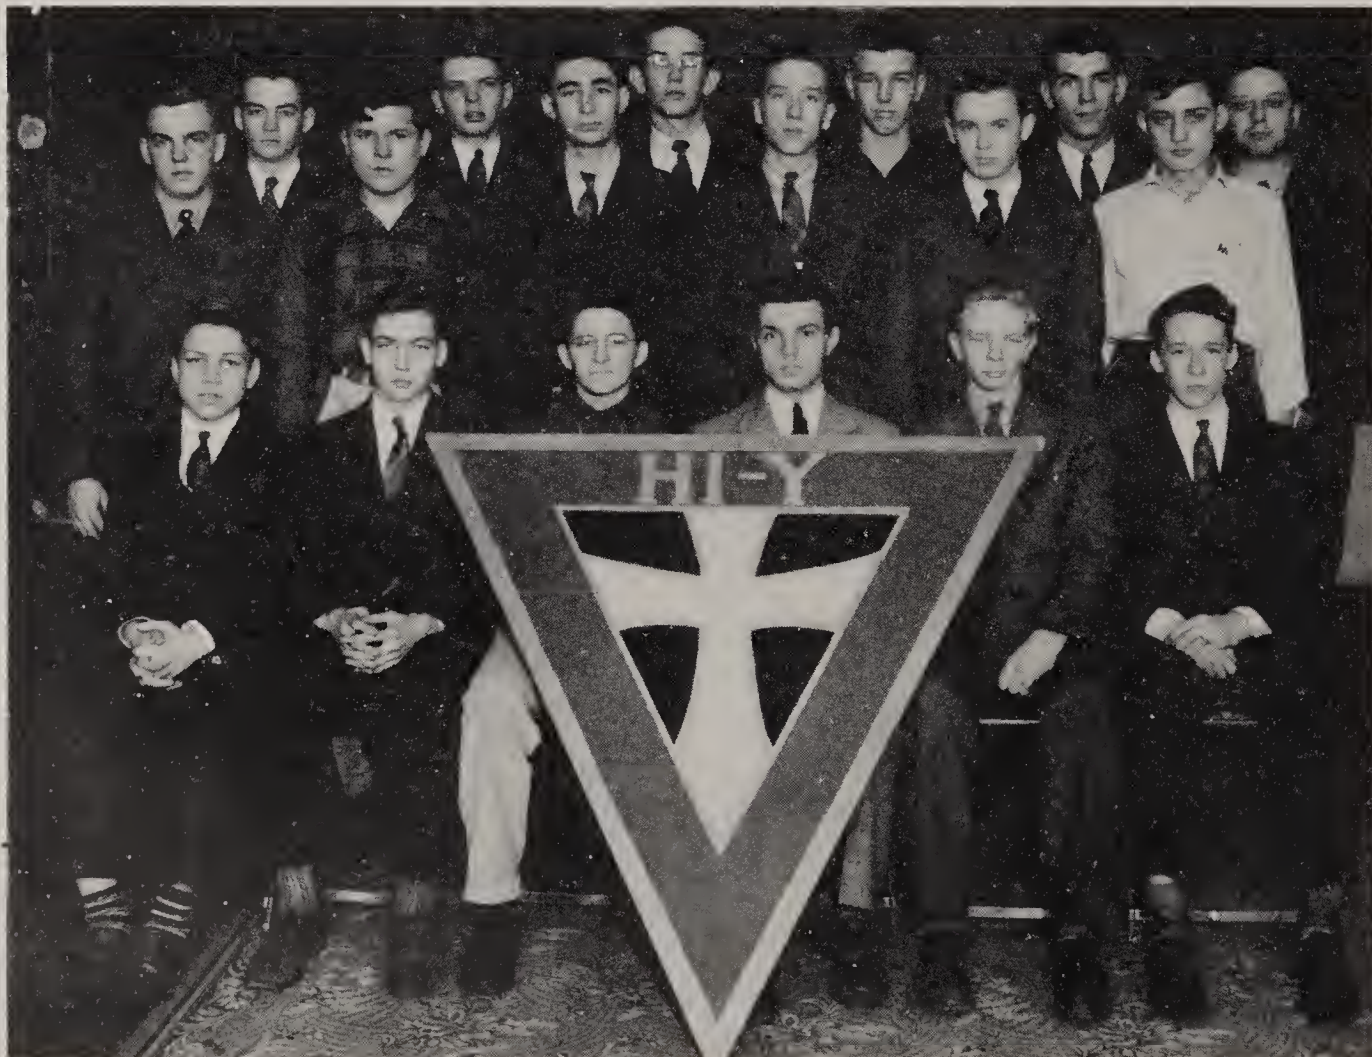

William Hastings left school the second semester for Purdue University. New officers were elected: John Kroy, president; Robert Hodges, Sergeant-at-arms.

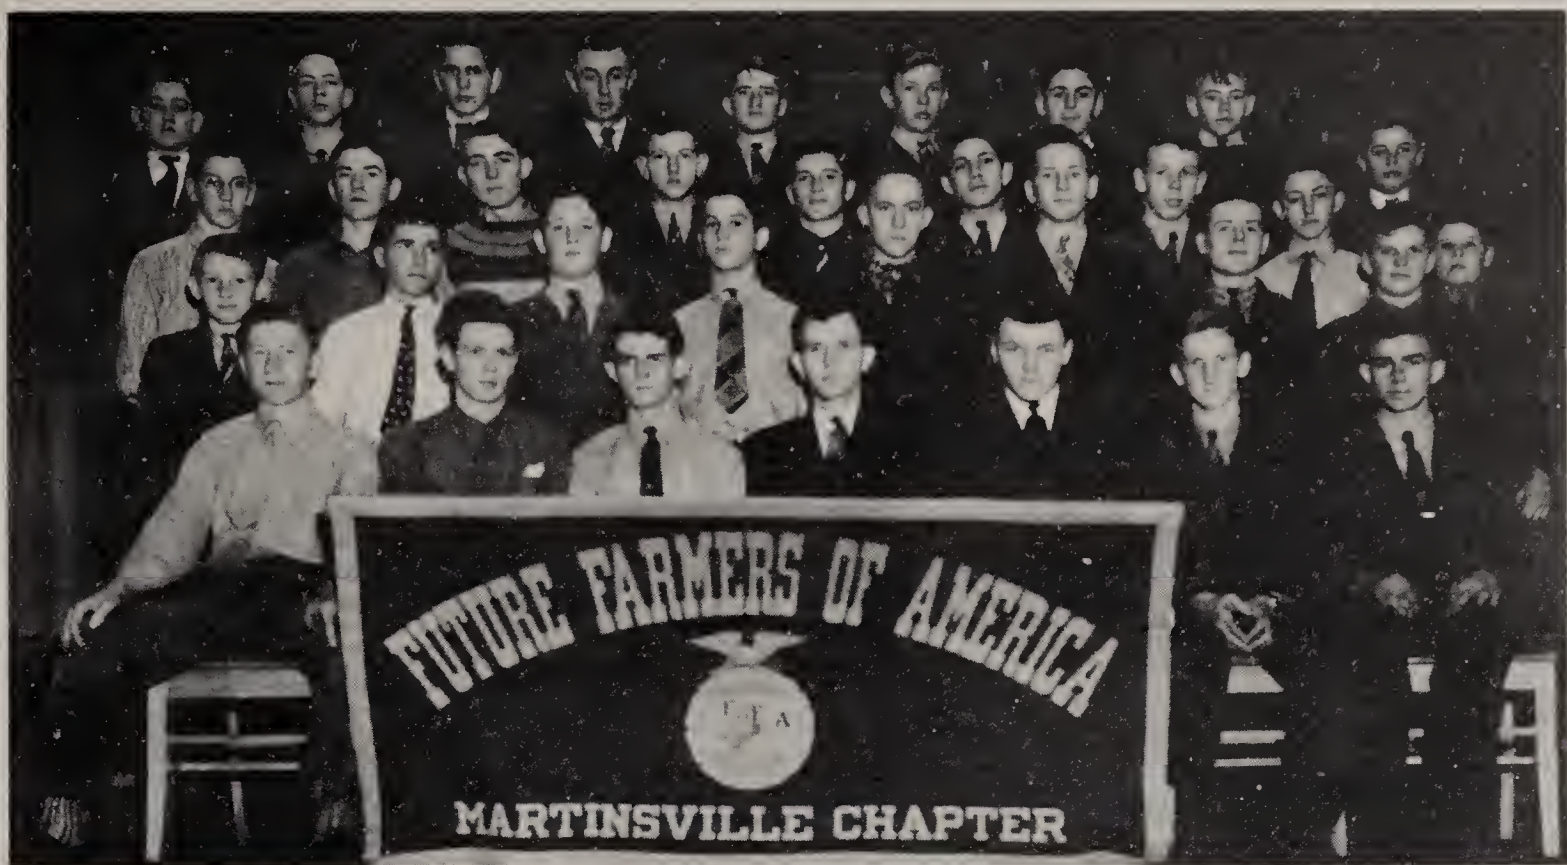

The activities of the club this year have been directed mainly toward the support of the war effort. The club has planned to furnish cookies for the Camp Atterbury hospital for one week. Several members participated in a Hi-Y Future Farmer basketball game to raise money for the Infantile Paralysis Fund. Again this year the club purchased a \$50 war bond to be given to the school and in addition, purchased some needed equipment for the Camp Atterbury hospital.

FUTURE FARMERS OF AMERICA

We are part of a national organization which reaches from the State of Washington to Puerto Rico and from the State of Maine to Hawaii.

During the past year we have been very active and taken part in many school activities. Competing with Hi-Y we gave a benefit basketball game to collect money for the infantile paralysis fund. We also took part in the district public speaking, essay, and pest contest. This year we have three Hoosier farmer candidates. Included in our night meetings this year we held our annual parent night, which was well attended. We sponsored a bond and stamp drive within our own chapter which proved very successful. We meet every day at the activity period and hold our regular night meeting

once every two months. At the present our chapter consists of seventeen regular members and eleven green hands.

The Martinsville Chapter of Future Farmers is honored to have, Bill Prather, a former member, as State F.F.A. president for the second consecutive year.

Our Motto is:

Learning To Do
Doing To Learn
Earning To Live
Living To Serve

SUNSHINE SOCIETY

The Sunshine Society has as its purpose "cheery helpfulness." The girls in the club try to spread good cheer and to pattern their lives after the Sunshine Creed.

The activities for the year began with the Riley program. From this memorial service the girls collected \$6.11 for the Riley Hospital. They had their initiation at the Christian Church with a tea for the mothers; and later the annual Thanksgiving baskets were given. At Christmas time, Hi-Y and Sunshine

went caroling in the halls. Christmas cards were sent to soldiers at Camp Atterbury and to the inmates at the County Farm.

In the spring the girls crocheted an afghan for the Veterans' Hospital and donated clothing to the poor. They pledged themselves to buy a bond, and the year's program was brought to an end with a meeting honoring the seniors and a party revealing the ideal ladies.

THE LEGIO DECIMA

The Legio Decima is composed of fifty-one members of the Latin department. It meets each second Wednesday of the month. Dues are ten cents a semester.

This year the club elected the following officers:

Imperator: Elizabeth Hanna

Scriba: Lois Congram

Quaestor: Vera Ames

Legati: Bruce Baker, Shirley Grotendick, Betty Waycott, and Emma Jane Cooksey.

At each meeting an excellent program was given dealing with Roman life or mythology. At the Christmas meeting the club sang Christmas carols in Latin. The February program was given by the sophomores. Poems about mythological characters and a playlet showing the great number of English words derived from Latin were given. A quiz program on classical characters was given by the freshmen in March. The club has prepared a collection of insignia of the armed forces that have Latin mottos. They ended a very successful year with a club party.

B-NATURAL CLUB

The High School Mixed Chorus known as the B-Natural Club is composed of students from the senior high. In September the following officers were elected: president, Bob Barnard; vice-president, Mary Margaret Griggs; secretary-treasurer, Audrey Lemons; news reporter, Ruth Jean Elliott.

Operetta, one of the high lights of the year, was canceled on account of war activities. However, the club substituted a "Slap Stick Comedy" program to keep up the pep and enthusiasm in the chorus.

Eighteen students sang in the all State Chorus at State Teachers Association in October. Stu-

dents who sang were Bernice Moore, Margaret Ann Scherer, Barbara Bain, Betty Dailey, Norma Epley, Bob Bryant, Marjorie Cramer, Joan Wampler, Audrey Lemons, Rosemary Walton, Scherrill Lisher, Mary Alice Hensley, Bob Hodges, Thomas Costin, Walter Calvin, Bruce Baker, and Charles Hancock.

Owing to transportation difficulties, the Spring Choral Festival will not be as large as it was last year. The chorus will participate in a festival either at home or at some nearby school. In keeping with the times, the chorus has sung many patriotic songs of the United States and our allies. The B-Natural Club is directed by Mrs. Hazel Kelso.

Helen Tackett, Louis Evens, Mary Alice Hensley, Rosemary Smith, Audrey Lemons, Lois Watson, Barbara Bain, Marjorie Cramer, Bernice Moore, Patricia McClay.

M. H. S. STRINGETTES

The boys and Mr. Long have their swing band, so this year the girls and Mrs. Kelso organized the Stringettes. There are eleven girls in the string ensemble. The instrumental soloist of the group, Margaret Ann Scherer with her marimba, is not pictured with the group. Mary Alice Hensley and Lois Watson are the vocal soloists. The Stringettes were organized to serve the many clubs and organizations of the community. The important event of the year is a program they are planning to be presented at Camp Atterbury.

SWING BAND

The Martinsville High School Swing Band, an ensemble of jitters and jive under the band department, directed by Mr. Long, was quite active in its second year of existence. In addition to playing for school and community dances, the boys and girls had the student body on the edge of their seats at a couple of assemblies.

Bill Hastings, piano, and Bob Bryant, saxophone, members of the swing band the first semester were replaced by Mary Alice Hensley and Lois Congram, the second semester.

SAXES: Bob Hodges, Bob Hammons, James Thacker, Leroy Gooch.

BRASS: Melvin Maxwell (Trombone), Gary Burns, Dwight Pitkin, Bill Crone (Trumpets).

RHYTHM: Joe Martin (Drums), Mary Alice Hensley (Piano), Lois Watson (String Bass).

FUTURE HOMEMAKERS

The Future Homemakers Club of Martinsville High School was organized in 1937 with the purposes of promoting friendship, serving the community and school, increasing interest in home economics, and helping girls become better citizens and homemakers.

In order to promote those ideals activities during the past year have included sponsoring of a nutrition program before the Girls' League, talk by a local beautician, collection of canned foods for Christmas gifts, a Christmas tea, making of cookies

for Camp Atterbury, selling of war stamps and candy at ball games, a boy-friend girl-friend party, and joint meetings with the Sunshine Society.

Officers for 1942-43 were:

President: Phyllis Carpenter
 Vice-President: Alberta Cherry
 Secretary: Ruth Rawlins
 Treasurer: Bette Goss
 Reporter: Anna Jean Gillaspy
 Sponsor: Frances Tyner

GIRLS' LEAGUE AND THE EXECUTIVE COUNCIL

The club program for girls this year has included the Girls' League for all girls of the school, the Dramatics and Handicraft clubs for the ninth grade girls, and the Future Homemakers and the Sunshine Society for the tenth, eleventh, and twelfth grade girls. The Executive Council of this year was made up of the officers of the League and the presidents and vice-presidents of the other clubs. The Executive Council promotes activities of the League and the girls' clubs and helps to govern the student body.

Programs for the League have included a Christmas program, small skits by each club, a nutrition program, and a style show.

Activities for the year have included the selling of popcorn at ball games, the sale of war stamps at ball games and the local theaters, the making of scrolls and a flag honoring service men who have attended Martinsville schools, and the buying of a war bond.

Teachers who have been sponsors for the clubs this year are Miss Georgia Moore, Miss Mae McCoy, Mrs. Frances Tyner, and Miss Myngle Dorsett. The faculty sponsor for the Executive Council is Miss Dorsett, girls' advisor.

The personnel of the band follows:

M. H. S. BAND

For the school year 1942-43, the Martinsville High School Band took the motto "MUSIC FOR MORALE". In all its activities the band attempted to make some contribution to the war effort. With the cooperation of the orchestra and the swing band, concerts were given at which defense stamps were sold as tokens of admission. Songs of a patriotic nature were stressed at every public appearance, especially the service songs of the army, navy, marine, and air corps.

At the same time, the band continued in its usual role of a school service organization. The band was present at all home basketball games, parading and making letter formations at a few of them, in order to stimulate and entertain the crowd. The band also played for many assemblies and pep sessions.

In the spring of 1942, the Martinsville High School Band placed in first division in the district contest at Sullivan, going on from there to win second division honors in the state band contest at Crawfordsville. Members of the band who won first places in the 1942 solo contest were Dwight Pitkin, Gordon Gray, James Silver, and Margaret Ann Scherer.

The band was organized on a military basis this year for the first time. Top sergeant for the first semester was Charles Stierwalt with Bill Hastings as technical sergeant in charge of the marching band. For the second semester, Dwight Pitkin was top sergeant and Charles Hill technical sergeant. Other sergeants were Tom Costin, Dale Maxwell, Bill Shufflebarger, Phyllis Forbes, Joe Martin, and James Thacker.

THE HIGH SCHOOL ORCHESTRA

The High School Orchestra is made up of members from both the Junior and Senior High. There are fifty-three members. The following officers were elected at the beginning of the school year: President, Charles Hancock; vice-president, Dwight Pitkin; secretary-treasurer, Rosemary Smith. The highlight of the orchestra's year is the Band and Orchestra Contest. Owing to the transportation shortage the orchestra will have to be judged at home this year. Many students from the orchestra entered the Solo and Ensemble Contest at Terre Haute April 3.

The "Symphonettes", made up of first chair players, gave a program on Romantic Music before the Women's Symphony Unit, at Mrs. Cohn's on March 23. The orchestra is always ready to furnish music for assembly programs, class plays, and civic meetings.

The only out of town program this year which the orchestra gave was before the Class Room Teachers' Session at State Teachers' Association at Cadle Tabernacle.

Mrs. Hazel Kelso directs the orchestra.

THE HANDICRAFT CLUB

The Handicraft Club was organized the first of the school year with Miss Georgia Moore as sponsor. Officers were elected as follows: president, Joanne Hickman; vice-president, Violet Lehr; secretary, Geneva Spradling; treasurer, Mary Ann Stewart. The Handicraft Club meets twice a month during the activity period.

As any other organization the Handicraft Club has tried to help in the war effort. As the first project they made baby gowns for the Red Cross.

As a second project they sent over ten dollars worth of magazine subscriptions to Camp Atterbury for the Camp lounge and hospital.

The Handicraft Club and Dramatics Club, both composed of Freshman girls, joined together the first of the school year and sold basketball schedule pencils. Not all of the time was spent on these war projects. The girls also made things for themselves. At the first meeting the girls made lapel pins to wear on their coats and dresses.

THE FOUR-M CLUB

The Four-M Club started this year under a new supervisor, L. O. Young. The club had a membership of thirteen Freshman boys whose purpose was, "to unite worthy Freshmen boys in a fellowship that will strive to raise the standards of industry, conduct, and service in Martinsville High School."

The four M's in the platform are: Merit, Modesty, Morals, and Motive.

The name, purpose, platform, and emblem of the club were selected by the boys in the present Senior class when they were Freshmen.

The club's activities of the year consisted chiefly of the salvaging of bottle caps and the collection of clothes hangers for use at Camp Atterbury.

ROW I—Bill Adkins, Gary Burns, James Cooley, Robert Finney, Joe Fletcher, Bill Hammons, Harold Hopper.
ROW II—Harry Johnston, Boyd Musgrave, Howard Rieness, George Wedding, John Wiggins, John Williams.

Opal Gray, Eileen Bryant, Luveda Lane, Anna Jean Gillaspay, Betty Moon, Myra Hochstetler, Opal Smith, Louise Skaggs.

CAFETERIA

One of the finest student training centers in Martinsville High School is the cafeteria. It is not only a factor in building sound nutritional habits among students, but it offers one of the greatest opportunities for real service and training for future living. While these girls prepare the food for more than two hundred teachers and students daily, they are learning good working procedures, developing speed and skill, and raising their standards in the preparing and serving of meals in general.

This year the Cafeteria has averaged better than 4000 meals per month. Meals were served during the Sectional Tourney and 140 meals were served to the local team between the Sectional and Regional Tournaments.

Mrs. Myra Hochstetler has charge of the cafe-

teria in addition to her classes in foods in the Junior and Senior High. She is assisted by Opal Smith and Louise Skaggs who prepare the food and manage the kitchen. Mrs. John Bothwell and Mrs. Ira Ennis have acted as substitutes in the cafeteria this winter.

Miss Opal Gray, Junior high teacher of mathematics, acts as cashier and checks the lunches at the end of the line.

In the kitchen Marie Mills, Geraldine Bennett, Virginia Julia Kindred, and Dorothy David assist in the cleaning up of the cafeteria.

An additional activity in which the cafeteria management is interested is the candy sales. Colleen Hacker and Nadine Swinney have been in charge of the candy counter.

SPORTS CLUB

The girls' Sports Club of Martinsville High School was organized last year for the benefit of girls interested in sports activities in addition to the regular physical education program. Membership is open to any girl taking physical education.

The activities of the club include monthly business meetings, a skating party, sponsoring noon dancing, and competition within the club in various sports. The sponsor is Miss Elnora Curtis.

ROW I—Mary Lou Baker, Rosemary Barrick, Martha Lou Bryant, Juanita Cole, Esther Cornelius, Florence Day, Lou Ann Fluke, Nigel Johnson, Joan Kindred.

ROW II—Claribelle Lehr, Audrey Lemons, Betty Neal, Jeanne Pitkin, Rosemary Smith, Nadine Swinney, Delores Thacker, Darlene Troutman, Miss Curtis, sponsor.

SPORTS

PAUL D. MALASKA
ATHLETIC DIRECTOR

In the fall of 1942 a new mentor came to M. H. S. athletics, who packed fire and drive into our ball team. He is a likeable fellow and beams with vitality. This man is twenty-eight year old Pat Malaska, who in his first year as coach here has brought his team through to win the South Central Conference and in tournament play to go as far as the semi-finals.

Pat coached at Fairmont for three years. He found this place very much to his liking, especially a certain young woman who is now Mrs. Malaska. He then went to Bicknell, where he coached the team to its first sectional championship in the school's history.

Our hats are off to the little man who is always there with encouraging words and inspiration that mean nothing else but victory.

When he became coach at Martinsville last fall, he realized one of his life's ambitions.

SAM DENNEY Sam is the captain of the team. When the going gets tough and the Artesians aren't doing so well, he calls time out and gets the team back on their feet. Sam was also captain of the team last year. He has played three years of good ball on the varsity, this being his last year.

RALPH ROBINSON Ralph has played on the varsity three years. He has had a good season all three years. He plays guard and has a very good long shot. He is left handed and can toss in some pretty one hand shots. This is his last year.

ROY WINKLER Roy is a hard fighting sub. He can hold his own while on the floor and has a good push shot. He seems to get down the floor with no effort at all. He plays either forward or guard. Roy is a senior.

BOB WATSON We call Bob "Curly" because of his straight hair. Bob is a smooth ball handler, keeping cool when he should. He is one of those boys who use their heads in a game. He has some really good jokes. Bob is generally substituted as guard. Watson will graduate this year.

MELVIN PAYTON Melvin is the bean pole of our team. He is 6'2" and can take the ball off the bank board. Melvin plays center. He has a dead long shot and a fine arching pivot. He played on the team last year, this present year, and will be here next year.

HUGH RUTLEDGE Hugh is the sweetest little ball player you ever did see. He plays forward and when he gets set to shoot you can mark up two points. You can always tell him on the floor by the way he smiles. This is his first year on the varsity and he has made his record. He is a Junior this year.

DONALD FISHEL "Fish" is a junior and this is his first year on the varsity. He is an excellent guard and has held all of his opponents to very few baskets. He will be with M. H. S. next year.

WILLIAM MORELAND Moreland is a small boy with a nice build. He is fast and is not afraid to mix it up. This year he is a sophomore. Next year he should be a mainstay with the team. He plays guard.

GENE MILLER Gene is even taller than Payton. Miller is a sophomore and ought to turn out to be a tough center. When he gets mad, he can really go in there and pitch.

JACK GRIFFIN Jack has what you call vitality. When he enters the game, he worries his man plenty. He is quick as lightning, and can tie a man up before he knows it. He is a good sub, playing forward.

ROW I—Gary Burns, Billie Hammons, Bill Hamm, Marvin Peters, Billy Settle, and James Cooley.
ROW II—Dale Denny, Austin Godsey, Fred Lehr, Bruce Baker, Donald Sparks, Jim Dobbs, Jack Brock,
and Bud Moreland.

SOFTBALL

The Martinsville High School softball team had a very successful season. However, they played only two games and both of those were against Mooresville. The Artesians won these contests 7 to 3 and 5 to 1.

The season was rather short due mostly to the higher interest in the oncoming basketball season. At the end of the basketball season, play was resumed, with a little more determination. At the end of the school year, a softball tournament will be held to decide the championship of the South Central Conference. Last year it was held at Greensburg. Martinsville was defeated in the first game by Shelbyville. The teams at the tournament were: Shelbyville, Columbus, Greensburg, Greencastle, Seymour, and Martinsville. This year's tournament will be held at Shelbyville, the home of the defending champions.

The members of the Artesian softball team are: Theodore Smith, a fast thinking catcher; Jack Naugle, a speedball hurler; Ralph Robinson, a hard hitting first baseman; Donald Fishel, a second baseman that made double plays look easy and simple; Melvin Payton, a long legged short stop; (Although he had a long way to bend over, he was seldom seen fumbling.) Harold Anderson who played a nice game at third base and was a very timely hitter; Sam Denny, center field and a real ball hawk; Hugh Rutledge, a reliable left fielder and dangerous hitter; Bruce Baker, a right fielder, who was a handy man in the clutch; Roy Winkler, a short fielder, who was always very reliable in fielding.

Robert Watson, Bob Myers, and Bob Forbes were reserves who were always ready to give relief.
